Nexia TS participates as Official Auditor for Singapore SME100 Awards 2016

Nexia TS is pleased to participate as the Official Auditor for the Singapore SME100 Awards 2016, held at Marina Bay Sands Singapore on 10 June 2016. The awards identify and recognise SMEs based on quantitative criteria such as revenue growth and profit on top of qualitative criteria including business outlook, investment in training and R&D efforts.

Out of a total of 292 companies who had been nominated to the awards, the top 100 winners were shortlisted based on a stringent 5-part evaluation process, including a 100% audit mandate where 90% of the nominees were subjected to physical site audits. This year's awards received entries from 20 different industry sectors.

"We are happy to lend our expertise to make this event a success. Winning the award is a resounding testament to a company's success in today's challenging business environment – my heartiest congratulations to all winners."

Henry Tan, Managing Director, Nexia TS

About SME100 Awards:

An annual recognition awards programme organised by SME Magazine – Southeast Asia’s best selling business magazine. The awards identify and recognise Singapore’s fast moving small and medium enterprises (SMEs) with a focus on growth (turnover, profit and market share) and resilience (best practices, sustainability and vision). Independently researched, ranked and published by SME Magazine, SME100™ ranks the top and fast moving companies in Singapore based on both quantitative and qualitative criteria. Questionnaires or participation forms were sent to 5,000 pre-selected SMEs based on a proportionate representation of the 20 industry grouping using SME100™ Scorecard. After extensive compilation and analysis, the finalists are determined by the highest weighted average score with heavy weightage on growth and resilience.

About Nexia TS:

Nexia TS was founded in 1993 by two experienced chartered accountants – Henry Tan and Sitoh Yih Pin. After working as managers for one of the international accounting firms, they saw a vision and an opportunity to establish their own organisation – not any accounting firm – but one which is unique in their personalised and well-qualified expertise.

To date, Nexia TS is recognised as an established mid-tier local accounting firm. We have grown significantly in size over the years. Being an independent member firm of Nexia International, we are affiliated to accounting firms in many parts of the world. This means that our clients will get to enjoy personalised, comprehensive and quality services at competitive rates in Singapore and globally. Our reputation for quality has been recognised by clients and accounting professionals. As testimony to this, we are among the first few local accounting firms to be accredited by the Institute of Chartered Accountants in Australia to provide supervision of professionals undergoing traineeship to qualify as Chartered Accountants.

Headquartered in Singapore, Nexia TS has established a strong presence in various countries across the region. Nexia China is a one-stop centre providing advisory services for foreign-invested enterprises in China. NTS Malaysia and NTS Myanmar provide a full suite of corporate advisory services for our clientele with operations and new foreign investments in the respective countries. Nexia International is an international network of accounting and consulting firms with origins going back to 1971, making Nexia International one of the longest established networks.

Currently, with more than 24,000 professional staff serving our clients at over 570 offices in 120 countries, it is ranked as the top 10 largest international accounting and consulting network.
