Nexia TS Successfully Completed IPO of UnUsUaL Limited on SGX Catalist Board

Singapore, 12 April 2017 – Nexia TS congratulates UnUsUaL Limited for its successful listing on SGX Catalist Board on 10 April 2017, placing out 96,990,000 shares at \$0.20 each. UnUsUaL has a strong debut on trading day at more than double the issue price. Incorporated in 1997, the group consists of UnUsUaL Productions, UnUsUaL Entertainment and UnUsUaL Development. Nexia TS was appointed as the Reporting Accountant supporting the IPO listing.

Started off as an audio, staging, lighting and video rental business, UnUsUaL has since grown to become one of the leading names in Asia for concert promotion and production. The company successfully penetrated the arts and drama scene, in addition to organising world-class events and concerts. Apart from geographical expansion, UnUsUaL is also keen to target downstream services such as ticketing platforms and venue management.

“Our listing exercise from start to end took approximately only ten months. We have had the good fortune to have Nexia TS as our reporting accountant. The team, despite their youth, was quick to pick up the gist of our business, recommended the appropriate accounting treatment to be in line

with FRS, and most importantly, exhibited a strong sense of commercial realism. We are thankful that we have the right partner for this journey. We have no qualms in recommending Nexia TS to those who are seeking to embark on the journey we just took.”

Tay Joo Heng, Chief Financial Officer, UnUsUaL Limited

“Congratulations to UnUsUaL for its successful listing on SGX. We would like to thank the company for placing its trust and confidence in our team to support them on this important journey. We look forward to a continued partnership with UnUsUaL as they scale to greater heights in the region.”

Henry Tan, Managing Director, Nexia TS
