

Iskandar Malaysia Advisory

NTS Asia Advisory Sdn Bhd (NTS Malaysia) offers a comprehensive range of corporate advisory services for business expansion into the Iskandar Malaysia region, especially for fast-growing Malaysian companies looking to set up new foreign investments in Southern Peninsula Malaysia.

As a result of the Malaysian government's developmental efforts and business incentives awarded under the Iskandar Malaysia project, inbound investments from both Singapore and other parts of the world are steering the expansion of business opportunities in Iskandar Malaysia. In addition, NTS Malaysia is also well-positioned to assist Malaysian companies that are keen to tap into the capital market in Singapore for fund raising and IPO listing.

The office of NTS Malaysia, located at the Menara Landmark in Johor Bahru, is one of the 5 flagship zones of Iskandar Malaysia that houses more than 30 professional staff members capable of providing a wide spectrum of advisory services ranging from feasibility studies, setting up of business, outsourced accounting, M&A due diligence, IPO advisory, technology advisory, tax structuring to corporate governance and risk management.
