About Nexia TS:

Nexia TS was founded in 1993 by two experienced chartered accountants – Henry Tan and Sitoh Yih Pin. After working as managers for one of the international accounting firms, they saw a vision and an opportunity to establish their own organisation – not any accounting firm – but one which is unique in their personalised and well-qualified expertise.

To date, Nexia TS is recognised as an established mid-tier local accounting firm. We have grown significantly in size over the years. Being an independent member firm of Nexia International, we are affiliated to accounting firms in many parts of the world. This means that our clients will get to enjoy personalised, comprehensive and quality services at competitive rates in Singapore and globally. Our reputation for quality has been recognised by clients and accounting professionals. As testimony to this, we are among the first few local accounting firms to be accredited by the Institute of Chartered Accountants in Australia to provide supervision of professionals undergoing traineeship to qualify as Chartered Accountants.

Headquartered in Singapore, Nexia TS has established a strong presence in various countries across the region. Nexia China is a one-stop centre providing advisory services for foreign-invested enterprises in China. NTS Malaysia and NTS Myanmar provide a full suite of corporate advisory services for our clientele with operations and new foreign investments in the respective countries. Nexia International is an international network of accounting and consulting firms with origins going back to 1971, making Nexia International one of the longest established networks. Currently, with more than 24,000 professional staff serving our clients at over 570 offices in 120 countries, it is ranked as the top 10 largest international accounting and consulting network.
