

CELEBRATING WITH A DIFFERENCE

Nexia TS marks its 20th anniversary by celebrating Corporate Social Responsibility Day with beneficiaries from Yishun Ring RC, in collaboration with Food from the Heart Organisation

In collaboration with Food from the Heart organisation (FFTH), 130 Nexia TS staff will be contributing grocery products out of their own pockets, pack and distribute to more than 150 beneficiaries from Yishun Ring RC at designated FFTH distribution centres on 15 May 2013. This is a day where the whole Nexia TS family will set aside all work and contribute money, time and effort to give back to the poor, needy and underprivileged in our society.

For every dollar value worth of groceries contributed by the staff, the firm will contribute multiple of the amount. This is a testament of our commitment and passion in serving the community through two key aspects, Education and Community Welfare.

In conjunction with our 20th anniversary celebration, a decision was made to CELEBERATE WITH A DIFFERENCE, leading to a plan to start with an inaugural Corporate Social Responsibility Day (CSR Day) on 15 May 2013. We hope that this vision will indeed translate into a yearly affair where the whole Nexia TS family can participate in charity/community projects to give back to the society.

Who are the beneficiaries?

Beneficiaries from this group are chosen through their respective schools and Resident Committee networks. They are either single parent families with one parent either deceased, in prison or in drug rehab; single mothers; families facing long term costly medical issues; or families with a breadwinner who is unable to work due to an accident or illness.
