### **About the Singapore 1000 Family of Rankings**

The Singapore 1000 Family of Rankings (Singapore 1000, Singapore SME 1000, Singapore International 100 and Fastest Growing 50) is the prestigious guide that ranks the nation's top companies annually for close to 3 decades.

It is committed to profiling the success of businesses based on financial indicators such as revenue, net profit, return on equity and overseas revenue. Taking into consideration all companies and requiring no paid nominations, the Singapore 1000 analyses over 70,000 audited financials each year to arrive at the top 1000 corporations and SMEs in Singapore. The rankings are shared publicly and distributed to government sectors, embassies, trade organisations, banks, universities and libraries.

DP Information Group (DP Info) is the official ranking body of companies in Singapore, with EY as co-producer and the Singapore Business Federation, IE Singapore, SPRING Singapore, ACRA and IMDA Singapore as supporting partners.

### **About Nexia TS:**

Nexia TS was founded in 1993 by two experienced chartered accountants – Henry Tan and Sitoh Yih Pin. After working as managers for one of the international accounting firms, they saw a vision and an opportunity to establish their own organisation – not any accounting firm – but one which is unique in their personalised and well-qualified expertise.

To date, Nexia TS is recognised as an established mid-tier local accounting firm. We have grown significantly in size over the years. Being an independent member firm of Nexia International, we are affiliated to accounting firms in many parts of the world. This means that our clients will get to enjoy personalised, comprehensive and quality services at competitive rates in Singapore and globally. Our reputation for quality has been recognised by clients and accounting professionals.

As testimony to this, we are among the first few local accounting firms to be accredited by the Institute of Chartered Accountants in Australia to provide supervision of professionals undergoing traineeship to qualify as Chartered Accountants. Headquartered in Singapore, Nexia TS has established a strong presence in various countries across the region. Nexia TS Shanghai is a one-stop centre providing advisory services for foreign-invested enterprises in China. NTS Malaysia and NTS

Myanmar provide a full suite of corporate advisory services for our clientele with operations and new foreign investments in the respective countries.

Nexia International is an international network of accounting and consulting firms with origins going back to 1971, making Nexia International one of the longest established networks. Currently, with 30,750 staff serving our clients at 667 offices in 115 countries, it is ranked as the top 10 largest international accounting and consulting network.
