INNOVATION & EXCELLENCE AWARDS 2019

WINNER

Henry Tan (Nexia TS)
Most Innovative CEO of the Year
Asia & Australasia

Singapore, 14 March 2019 – Nexia TS is pleased to announce that its Group CEO and Chief Innovation Officer, Mr. Henry Tan has been conferred the “Most Innovative CEO of the Year Asia & Australasia” under the Corporate LiveWire Global Award Winners 2019 in the innovation and excellence category for his role in transforming the firm. The traditional local accounting firm had progressed over the years to become a trusted international accounting and advisory firm providing services that reflect the changing regulatory, tax and technology environment.

Being equipped with traditional accounting and tax skills is important, however these skills are not sufficient in light of the changing external environment. Hence, to address these market changes, the firm had transformed its businesses and services over the years to successfully provide quality services in specialised areas encompassing: technology advisory & cybersecurity, business digitalisation and data analytics.

"In order for businesses to stay ahead of competition, corporate leaders today must be ready to reinvent and innovate to grasp the opportunities to scale new heights progressively. The mindset to transform and to do things differently is crucial. Credit for this award goes to the team of dedicated people across 4 different countries in diverse service lines working towards the same vision. We look forward to putting forth more innovative solutions solutions for our clients."

Henry Tan, Group CEO and Chief Innovation Officer, Nexia TS

About Nexia TS:

Nexia TS was founded in 1993 by two experienced chartered accountants – Henry Tan and Sitoh Yih Pin. After working as managers for one of the international accounting firms, they saw a vision and an opportunity to establish their own organisation – not any accounting firm – but one which is unique in their personalised and well-qualified expertise.

To date, Nexia TS is recognised as an established mid-tier local accounting firm. We have grown significantly in size over the years. Being an independent member firm of Nexia International, we are affiliated to accounting firms in many parts of the world. This means that our clients will get to enjoy personalised, comprehensive and quality services at competitive rates in Singapore and globally. Our reputation for quality has been recognised by clients and accounting professionals. As testimony to this, we are among the first few local accounting firms to be accredited by the Institute of Chartered Accountants in Australia to provide supervision of professionals undergoing traineeship to qualify as Chartered Accountants.

Headquartered in Singapore, Nexia TS has established a strong presence in various countries across the region. Nexia China is a one-stop centre providing advisory services for foreign-invested enterprises in China. NTS Malaysia and NTS Myanmar provide a full suite of corporate advisory services for our clientele with operations and new foreign investments in the respective countries.

Nexia International is an international network of accounting and consulting firms with origins going back to 1971, making Nexia International one of the longest established networks. Currently, with 30,750 staff serving our clients at 667 offices in 115 countries, it is ranked as the top 10 largest international accounting and consulting network.
