Singapore, 18 December 2019 – As the main sponsor of the Women's National Floorball Team, Nexia TS sends its heartiest congratulations to the team for achieving best-ever 12th position at the Women's World Floorball Championship (WFC) 2019 held at Neuchatel, Switzerland.

Despite that the national team was defeated in their final game with Australia, the 3-1 loss did not dampen the camaraderie spirit of the all-Singaporean team who is now spurred for better results at future editions. The stellar performance at the biennial tournament was better than expected in spite of the back-to-back competitions at the recent SEA Games which won them Gold.

Henry Tan, Group CEO and Chief Innovation Officer, said, "The perseverance and sacrifices that the national team has put in to achieve team's best and personal excellence are simply applaudable. These

are the qualities that define their success today - nothing comes without hard work. The firm remains steadfast in its support for the women's team to continue inspiring the younger players and pursue team excellence."
