Nexia TS Marks 13 Years of Spreading Cheer to Beneficiaries of BB Share-A-Gift Project

Singapore, 29 November 2021 – Nexia TS returns for the 13th consecutive year to bring festive cheer to the beneficiaries of the Boys' Brigade Share-A-Gift Project (BBSG). An annual corporate social responsibility activity that the firm never fails to be part of the fund-raising tradition, and this year is no different. BBSG is one of the longest-running community service projects in Singapore since 1988.

Despite the challenges arising from this endemic living, we remain committed to accomplish the task of delivering hampers containing essential food supplies and facemasks while observing safety measures for both the beneficiaries and staff volunteers involved.

Following a successful donation drive last year, BBSG aims to reach out to 44,167 beneficiaries, the highest number on record in the project's history. In support of the worthy cause, the firm encourages donation from staff and matches the same amount back to the donation campaign.

Group CEO & Chief Innovation Officer, Henry Tan, said: “In my capacity as the organising chair of BBSG, I urge the public to join us to spread the spirit of joy, giving and love to all our beneficiaries in this season of giving. As a business owner, I believe there is so much more that we can do to help the less fortunate by way of donation or volunteer in our delivery drives, or even better – both.”
